(Approved by AICTE, Affiliated to BPUT)

AND

**Sri Vasavi Engineering College (Autonomous), Pedatadepalli, Tadepalligudem,
Andhra Pradesh**

(Approved by AICTE, Accredited by NBA and NAAC, Affiliated to JNTU Kakinada)

Roland Institute of Technology, Surya Vihar, Berhampur (hereinafter referred to as "RIT") and Sri Vasavi Engineering College, Pedatadepalli, Andhra Pradesh (hereinafter referred to as "SVEC") mutually agree to enter into this Memorandum of Understanding with a shared vision to strengthen academic collaboration, foster innovation, and promote a conducive environment for research and development across both institutions.

Areas of Cooperation

- Organize joint seminars, workshops, and conferences, including publication of proceedings and academic volumes.
- Conduct capacity building programmes to enhance research competencies among faculty members and students.
- Promote exchange of scholars, faculty, and academic resources.
- Develop and implement research internship programmes for students, with a focus on practical exposure and hands-on experience.
- Facilitate joint research projects aligned with the mutual interests of faculty and departments of both institutions.
- Invite national and international experts for special lectures and knowledge-sharing sessions on an annual basis.
- Explore opportunities for long-term academic and research collaboration through curriculum development and joint teaching initiatives.

Operational Aspects

Specific programmes or activities under this MoU shall be undertaken based on mutually agreed terms and budgetary provisions, documented in writing prior to implementation.

RIT's Department of Computer Science and Engineering shall act as the nodal department for coordination and execution of this MoU at RIT.

At SVEC, the Office of the Dean of Research and Development shall serve as the liaison office for coordination.

Scope of Cooperation

The cooperation shall cover, with mutual consent, any programme or activity that both institutions find feasible and beneficial, thereby reinforcing the strategic partnership and academic goals of both parties.

Validity and Termination

This MoU shall remain in force for a period of three (3) years from the date of signing and may be extended or amended upon written agreement by both parties.

Either party may terminate this MoU with a two-month written notice, subject to mutual discussion and settlement of ongoing commitments.
