

SRI VASAVI ENGINEERING COLLEGE (AUTONOMOUS)

PEDATADEPALLI, TADEPALLIGUDEM-534 101, W.G.Dist.

Department of Computer Science & Engineering (Accredited by NBA)

Academic Year: 2023-24

Total number of Books/Chapters/ Lecture Notes::05

S.No.	Name of the Staff	Title of the Book/Chapter	Publisher	ISBN	Date
1	D.JayaKumari	Automating Curriculum Vitae Recommendation Processes Through Machine Learning	Springer	http://doi.org/10.1007/978-3-031-51167-7_80	28/05/2024
	K.Praveen Kumar				
	P. Rama Mohana Rao				
2	K.Praveen Kumar	Foundations Of Graph Theory: Various Mathematical Models	Scientific International Publishing House (1 January 2024)	978-93-6132-785-8.	01/01/2024
3	K.Praveen Kumar	Title of the Book: Future Trends in Engineering Sciences Chapter 6: Deep Image Forensics: Unveiling Tampering through Copy-Move and Splicing Detection via CNN	Aditya Publications; 1st edition (12 November 2023)	979-8867520786	14/11/2023
4.	D.JayaKumari	Title of the Book: Future Trends in Engineering Sciences Chapter 7: Visual Narrator: Image Caption Generation through Advanced CNN Modeling.	Aditya Publications; 1st edition (12 November 2023)	979-8867520786	14/11/2023
	K.Praveen Kumar				
5.	D.JayaKumari	Title of the Book: Future Trends in Engineering Sciences Chapter 10: A Comparative Analysis of Contactless and Contact-Based Approaches with CNN Models.	Aditya Publications; 1st edition (12 November 2023)	979-8867520786	14/11/2023
	K.Praveen Kumar				

Vision: To evolve as a centre of academic and research excellence in the area of Computer Science and Engineering.

Mission: To utilize innovative learning methods for academic improvement.

To encourage higher studies and research to meet the futuristic requirements of Computer Science and Engineering.

To inculcate Ethics and Human values for developing students with good character.
